## CAMPUS NEWS AND LIFE

### UHCL's tradition of shared governance impacts campus leadership hiring decisions

UHCL has conducted searches and hosted candidates for several administrative leadership positions on campus this semester. Nearly every top administrative position has been replaced in the past 12 to 18 months. How has UHCL's tradition of shared governance impacted the university's hiring process, and how can students, staff and faculty participate in this tradition? [Read Article](#)

#### Student organization partnering with Bay Area Habitat for Humanity for fun run

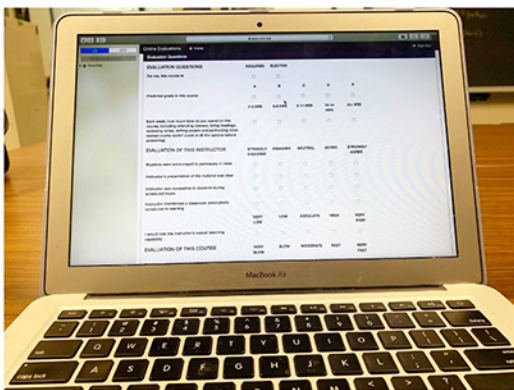

Bay Area Habitat for Humanity is hosting a 5k fun run May 11 at Walter Hall Park. The fun run is a non-competitive event that will raise money for BAHFH. [Read Article](#)

## OPINIONS

### COMMENTARY: Why students should complete their end of course evaluations

End of course evaluations are a huge part in providing current and future students with the best academic experience. This experience is possible when current students are open and honest about their experiences inside of the classroom, which will translate to faculty being held responsible for how the overall course is taught.
