NEWS ROUNDUP: 2020 census finalized, Philly cocaine seized and Sudan protesters killed

Here are some important stories you may have missed in June from Texas, the United States and around the world. [Read Article](#)

OPINIONS

COMMENTARY: Wokenomics, the good, the bad and the gray area

While there have definitely been some sincere actions by companies practicing good examples of social justice, wokenomics has mostly been represented more so by opportunistic bandwagoning which in many ways has shown to make a mockery of the issue they try to address. [Read Article](#)

COMMENTARY: Boredom, it might feel like torture, but it is not the end of the world

Boredom is a wearisome ailment that affects all of humanity, but it does not have to be a burden. Take the month of July to find different ways to activate the part of the brain that runs on autopilot and learn to enjoy your boredom. [Read Article](#)

MULTIMEDIA

INFOGRAPHIC: Taking a glimpse at diverse wildlife on campus

The campus sits atop 524 acres of land set aside as a nature preserve. Adjacent to the Armand Bayou Nature Center, UHCL is home to dozens of indigenous species of plants and animals, many of which can be easily spotted from various accessible locations on campus. [See Infographic](#)

PHOTO GALLERY: UHCL participates in Houston Pride 2019

For the second year in a row, the Office of Student Diversity, Equity and Inclusion (SDEI) participated in Houston Pride 2019. This year's theme was "Celebrating the Summer of 69" in honor of the Stonewall riots of 1969. [See Photos](#)
