## CAMPUS NEWS

### Miscommunication from UHCL administrators leads to concerns regarding shuttle service for students

A miscommunication led to the suspension of the University of Houston-Clear Lake's shuttle service to five apartment complexes located on Bay Area Boulevard. [Read Article](#)

### UH System switches bookstore vendor to Follett

All University of Houston System (UHS) campus bookstores will be making an official change to Follett Higher Education Group this summer, following a decision made to part ways with Barnes & Noble after over three decades. [Read Article](#)

## CAMPUS LIFE

### UHCL alumna brings Texas Transgender Nondiscrimination Summit to campus

Josephine Tittsworth said she broke down in tears of relief in 2006 after the unanimous vote by the University Life Committee to change the university's policies to protect transgender members of the UHCL community. Now, 13 years later, the transgender UHCL alumna returns to campus as the university will host the 11th annual Texas Transgender Nondiscrimination Summit June 28-29. [Read Article](#)

### UHCL alumna publishes memoir on sexual abuse

Texas native and UHCL alumna Patricia Eagle published her debut novel "Being Mean: A Memoir of Sexual Abuse and Survival" June 11. A memoir nearly a decade in the making, Eagle's story is an intimate look into her life that details her earliest childhood memories from the 1930s to 2017. [Read Interview](#)

## OPINIONS

### BLOG: Having pride in identifying as a member of the LGBTQ+ community

For the longest time, I battled internally with who I thought I was and who I was expected to be by family, friends and society. Although it was only about a decade ago, times were different. [Read Article](#)

### REVIEW: 'Weird' Al Yankovic's 'Strings Attached' tour brings parody hilarity to Houston

This latest tour allows the Grammy award-winning parody musician to flex his muscles as a singer rather than a polka enthusiast. "Weird Al" ditches the accordion in favor of a microphone and backing band complete with backup vocalists, a guitarist, bassist, pianist, drummer and 41-piece orchestra. [Read Article](#)

### REVIEW: 'Dark Phoenix' rises from the ashes of its predecessors just to flame out

"Dark Phoenix" is the latest installment of the X-Men franchise and it explores what happens when a beloved member of the team goes, for lack of a better word, rogue. Like previous X-Men films, "Dark Phoenix" is enjoyable, but relies heavily on the actors and characters to tell the story instead of a coherent storyline. [Read Article](#)

## MULTIMEDIA

### QUIZ: How much do you know about the 2020 presidential candidates?

Presidential hopefuls from across the aisle have been hitting the campaign trail and some have gained major, national media attention already. [Test your knowledge](#) about the candidates in this 15 question quiz.

[LIST: 24 recommendations for a second 'Big Brother: All-Stars' season](#)

### STAFF PICKS: Upcoming summer media and events

This summer is chock-full of dozens of movies, television shows, concerts and album releases. These are the pop-culture related releases your Signal Staff are most looking forward to this summer! [See Picks](#)

## YOUR VOICE

### Share Your Moon Landing Experience

How did the moon landing impact your life? Share your moon landing experience with The Signal to be featured as part of our coverage on the 50th anniversary of the moon landing. Submit photos, videos, poetry, comments, artwork, essays and any other way you would like to convey your experience below.
